Mass Spectrometry Facility
The Department of Chemistry Mass Spectrometry Facility is located on the ground floor, NW corner of Bagley Hall, in rooms 087 and 083. We provide a wide variety of analytical services to the Department, University and research community, with capabilities including qualitative sample analysis, unknown sample analysis, and quantitative assays. We provide hands-on training and enable walk-on usage of most of the instruments providing education and consultation in multitude of aspects of mass spectrometry.

For more information and comments on the web contents contact Martin Sadilek.

Hours

The Mass Spectrometry Facility is available 24 hours a day, seven days a week. Facility personnel are available on weekdays from 9:00 am to 5:00 pm, or by appointment.

Facility

Bagley Hall 83 and 87
206-616-1591

Bagley 087

- Bruker Esquire LC Ion Trap
- Bruker Esquire with DART
- JEOL HX-110
- LTQ Capillary LC-MS
- Waters QuattroMicro 1
- Waters Xevo TQ
- Waters Xevo TQS Micro

Bagley 083
- Agilent 5973 GC-MS
- Agilent 5975 GC-MS
- LTQ Orbitrap
- QStar XL
- Waters Acquity TQD

Bagley 04
- LTQ ETD
