Inclusive Chemistry Resources

UW Resources

- UW Diversity Blueprint
- Diversity Related Resources for Faculty and Staff at UW
- Equity Focus, UW’s hub for stories highlighting diversity and equity
- UW Board of Regents Diversity Statement

Primary Literature and Reports

**Team-Up Report, AIP, 2020:** The Time is Now: Systemic Changes to Increase African Americans with Bachelor’s Degrees in Physics and Astronomy. Report from the American Institute of Physics TEAM-UP group, culminating in a list of recommendations for individual faculty, departments, or professional societies.

Diversity and Inclusion in STEMM Collection from the National Academies of Sciences, Engineering, and Medicine.

Reducing achievement gaps in undergraduate general chemistry could lift underrepresented students into a “hyperpersistent zone”, *Science Advances, 2020.*

**The Diversity-Innovation Paradox in Science, PNAS, 2020.**

Resources for Writing Diversity Statements

**Developing and Writing a Diversity Statement, Vanderbilt University Center for Teaching**

**The Effective Diversity Statement, Inside Higher Education 2016**
