Prospective Members of our Department

At UW Chemistry we strive to create a vibrant, diverse, equitable, and inclusive environment where everyone can succeed. In your application for a position in our Department, we welcome and encourage you to include information on how you will contribute to promoting these values. We are specifically interested in your:

- **Awareness** of inequities and challenges faced by minoritized students and faculty in the chemical sciences;
- **Track record** (commensurate to career stage) of activities that engage or reduce barriers for minoritized groups;
- **Vision and plans** for how your work will continue to contribute to UW’s mission to serve the needs of our diverse state and student population and create an inclusive campus.
